Authorization for Medication

Parents,

The school needs your signed approval to administer any type of medication to your child. Below is a list of non-prescription medicines that we may administer to your child in the event they are feverish, have an allergy or need sunscreen. Please initial each medication that you are approving & also sign below.

- _____ Tylenol (fever) Child will need to be picked up by parent
- _____ Benadryl/ or antihistamine (for allergic reaction/ bee sting)
- _____ Hydrocortisone cream (itching/insect bites or other irritant)
- _____ Neosporin or other antibacterial (cuts/abrasions)
- _____ Bactine Spray (cuts/abrasions)
- _____ Sun Block for children

The above medication will be kept on hand in the school office.

If your child is feverish or is too sick or uncomfortable to be at school, you will be called & asked to pick up your child & take them home. They must be fever free for 24 hours before returning to school.

If a prescription medication is necessary, it must be in the original container & left in the office along with instructions on its proper usage.
